# DEDICATION

In dedicating the Kanga this year, the staff feels that the dedication should be read as a dedication to an Ideal, that being, **PROGRESS**.

KSTC, which boasts an ever-increasing enrollment and widening curriculum, shows ample proof that progress didn't stop at her door. Each new term brings to KSTC a new construction project, a new educational first, new electronic age equipment, or a new group of staff members who are prepared to aid her graduates in preparing themselves for the future.

For these advancements which have been attained, we are grateful. To the persons who are responsible for these achievements, we say **THANKS A MILLION!!!**

A man we all should become better acquainted with is Dean Eugene Dawson, pictured above. Before assuming his present position in 1949 Dean Dawson served as Professor of Psychology and Education and Director of Religious Activities from 1946 to 1949.

Problem solving expert first-class is Dean of Men, Ralph Wright, who is one of KSTC's students' best friends. He served as an instructor until 1953, when he assumed the vital position he now holds.

A sparkling smile, a friendly greeting, and a wonderful sense of humor are the marks of Counselor of Women Dean Helen Schuyler as she serves on many committees and with many organizations. Dean Schuyler came to KSTC in 1947.

Prof. Milburn J. Little became a member of the Administration in 1954. Prof. controls the financial end of KSTC and very capably, we might add. In addition to his financial duties Mr. Little sponsors two college organizations.

# ADMINISTRATION

If you are out of work, Dr. Lester Tracy is the man to see. Dr. Tracy has served as Director in the Placement Bureau since 1951. He assumed Administrative status last year as the first Director of Field Services at Pitt State.

Records and more records are Dr. C. Ray Baird's job. As director of Admissions, Dr. Baird gives admission to new students, keeps records and transcripts in order, and does a remarkable job of it. After coming to Pitt State in 1947, he served as Counselor of the Guidance Bureau until assuming his present status in 1953.

Have trouble scheduling? If you do, see Dean Mahan, the Dean of Instruction. He is responsible for seeing that the curricula offered by the college are adequate and well planned. Dean Mahan has held his present position since 1945 and is a friend indeed.

Pictured above is Russ Hall, one of KSTC's oldest buildings and one which every student gets to know during his college career. Many new projects are carried on each year at KSTC by the Board of Regents. The present members of the Board are: Mr. A. W. Hershberger, Chairman; Mr. McDill Boyd, Mr. Claude C. Bradney, Mr. Ray Evans, Mr. Clement Hall, Mrs. Elizabeth Haughey, Mr. L. D. Morgan, Mr. Oscar S. Stauffer, Mr. Harry Valentine, and Mr. Hubert Brighton, Secretary.

"We're here to serve the best interest of youth in liberal arts, teaching and pre-professional education by attempting to interpret to the public the college's many educational functions," said Ray Vanderburg, director of public relations.

The public relations office is a clearing house for the College news. The office also has been the place where promotional publications are planned which appropriately explain the purpose of and opportunities offered by the college for the youth of Kansas.

The work of the office includes gathering and writing of news, editing publications, creating promotion pieces, liaison work in community relations, and assisting in projects that are designed to tell education's story.

Tabulating a news-release effectiveness survey which involved more than 150 examples of mass media in the tri-state area. Miss Florence Cox, secretary and news writer, is shown recording data. At the typewriter is Jim Day, working on a news release.

The 1956 football season got under way with wins over Missouri foes, Rolla, Springfield, and Kirksville. Bill Samuels, Dick Adamson, Jim Pollock, Spencer Carter, Gene Wayenburg, Denny Griffin, and Virgil Pryor led the scoring in these three games with a total of 78 points against the opposition's 25.....

...The first loss was to the conference foes, the Ravens of St. Benedicts, with Carter scoring the lone Pitt tally... Fort Hays was next to topple before the Gorillas, led by Wayenburg, Carter, Skillen, Jim Pollock, and the educated toe of halfback Bill Samuels... Before an estimated 10,000 fans, Adamson, Samuels, Jim Pollock, and Carter led the Gorillas to a spectacular homecoming win over the Ichabods of Washburn....

Gene Wayenburg goes "off tackle" against Rolla.

...At the half, 72 visiting bands paid tribute to retiring President Rees H. Hughes... Following the homecoming win, the Gorillas, led by Carter, Samuels, Wayenburg, Nate Sanders, and Freshman halfback Buddy Beers, slaughtered their traditional rivals, the Hornets of ill-fated Emporia State.....

The Religious Activities Council is composed of members from each of the religious denominations on our campus. These representatives meet and plan the over-all religious program for KSTC. General meetings are held once a month, but the Council's work is done through four committees which meet at their convenience. The four committees are: the Service committee, the Chapel committee, the Convocation committee, and the Religious Emphasis Week committee.

The Service Committee is responsible for the World University Service program which we conduct on our campus annually. They also conducted a very successful campaign to raise funds for Hungarian relief. Joan Bevan and Donna Kirkendoll are the student co-chairmen with W. S. Davison as faculty advisor.

The Chapel Committee is concerned with promoting the use of the chapel by both organizations and individuals. The student co-chairmen are JoAnne McKinnie and Fred DeArmond, faculty advisor being Robert Knoebel.

The Convocations Committee makes the plans for the Thanksgiving, Christmas, and Easter convocations and any special convocations. Georgine Ciet and Eugene Gilbert are the student co-chairmen and Dr. Ralph Noble is the faculty advisor.

The Religious Emphasis Week Committee co-chairmen are Kay Branaman and Jim Riley. They have been working with Beverly Knox and Dr. Dawson as advisors. This year R.E.W. was held during the week of Feb. 11 thru 15. A successful R.E.W. involves weeks and months of continuous planning.

In the first game after Christmas the Lancemen won their first conference game, downing Southwestern of Winfield 84 to 63. Two conference losses followed: then came two straight conference wins over Washburn and Emporia, that over Emporia by a 2-0 forfeit. The remainder of the conference season went by with two wins, over Fort Hays and Southwestern, and two losses. The season ended with a strong win, 104 to 82 over Ada, Oklahoma. Senior Art Scavezze took the scoring honor of putting Pitt over the Century mark for the only time this year.

Harder, Schlup and Nealy

The 1956-57 Basketball Season rolled into full swing with two losses for the Lancemen. The first victory came against Maryville to the tune of 98 to 77 for the Big Red Team. Four more losses followed before victories number two and three were tallied. The team looked good in loss number seven against William Jewell, but breaks fell the wrong way with an 87 to 82 count.

During the Christmas vacation the Gorillas ventured north to the Ottawa Invitational Tournament, scoring three straight wins to capture first-place honors by repeating their last season wins at the tournament.

Harder and Williams

With the final tally made, the Lancemen drew a tie for third place in conference play with a 5-won, 5-lost record, and an overall record for the season of 12 wins and 12 losses for an even .500 percent. Overall, Pitt State scored 1855 points, for an average of 77.3 points per game, against their opponents' 1797 points.

The Biology Club, dating back to 1912 and claiming to be the first national honorary fraternity on KSTC's campus, was founded as an agricultural and Pre-med society.

Membership is composed of preprofessional students for the most part but is open to a large group of students in the Biology department.

Meetings are held bi-monthly and local professional men in the various fields of biological science present topics at the club's meetings. An annual Christmas party and a spring picnic are the outstanding social meetings held during the year.

THE FUTURE TEACHERS OF AMERICA is a national organization which was founded in 1937 by Dr. Jay Morgan, noted educator and editor of the National Education Association Journal. It was the first national professional organization in which teachers-in-training could be affiliated.

The W.A. Brandenburg Chapter of F.T.A. was established on the Kansas State Teachers College campus in November, 1941. During the years it has been in existence, it has been on the Victory Honor Roll each year. During this period it has grown from 50 members to a membership of over 200. The members of this organization are persons who plan to teach on either the elementary or secondary school level.

# KANZA STAFF

"Which one will she like best?" Is a question that is often asked as Ye Olde Editor makes the fatal choice.

To the Students of Pitt State;

"Pitt State in the Modern Age," the theme for this year's book, is one which the staff had a great time producing. As many of you might not know, the Kanza is somewhere near a \$15,000 business and offers many opportunities to those who are interested in journalism and small business management.

We the Staff have tried to portray you, the students of Pitt State, in a manner which puts KSTC'S best foot forward.

As our sponsor, Dr. Guardia, puts it, "A yearbook without mistakes just wouldn't be a yearbook," and we are inclined to agree with him. The cooperation from the organizations was excellent, considering the amount of work which comes their way and the load most students carry.

Our thanks for the help we received this year.

The Staff

"Involved" is the password as Luanne Cohagan and Linda Steen, Kanza Ball chairman and assistant respectively, sign up Patty Park as a Kanza Ball queen candidate. Checking typographical errors is Marcia Aggus, Kanza Secretary.

"A secretary for every boss" is business manager Dick Lindsey's motto," and I got the best" he says, as is evidenced by the close relationship of Dick and his friend Marcia Aggus.

Don Dugan, art editor, and Dick Haines, sports editor, discuss art work for the sports pages.

Shirley Crockett and Barbara Feagan, departmental organization editors, and secretary, Frieda Walker, shown compiling a list of organizations that will go in on the next deadline.

The association between the Kanza staff and the Collegio staff is an invaluable thing that is necessary for the publication of each of these campus scratches. Many of the Collegio's pictures will be noticed here in the Kanza and they have been used for one purpose only, that purpose being the preservation in bound form of the activities which all students would like to be reminded of in later years.

Checking names for spelling is a job to end all jobs, as Dan Schamberger and Marcia Aggus found out when they were working on class panels.

# FBLA

The Business Club was first organized on the campus in the spring of 1951. In 1953 it became a charter member of the Future Business Leaders of America. FBLA is open to all Pitt State students enrolled in the business department.

The objective of the club is to better prepare students for the business world by developing competent, aggressive, leadership, strengthening their confidence, and creating more interest and understanding in the intelligent choice of business occupations.

Faculty sponsors of the organization are Miss Donette Davis and Dr. Bernard Dellesaga.

Hughes in tribute to our retiring president.

Selection of thirty-one junior and senior students of the College for publication in Who's Who was announced at mid-term in the first semester.

The thirty-one students pictured here were chosen by the faculty using the following criteria: the student's excellence and sincerity in scholarship; his leadership and participation in extra-curricular and academic activities; his citizenship and service to the school; and his promise of future usefulness to business and society.

"It won't be long now" is the theme song of these happy senior officers. Left to Right, Seated: Betty Bethell, Treasurer, Jerry Klewer, President, Greta Meyer, Secretary. Standing: Jerry Quintard, Vice-President, Larry Drake, Board of Publications.

## FOUR-YEAR CIC TRACK CHAMPS ON THEIR WAY AGAIN

For the last four years Coach Prentice Gudgen's Cinder-men have dominated the CIC and as we go to press they are on their way to still another championship, with a strong win over Omaha University and a loss to Kansas University (defending Big-7 champs), scoring more points against KU than any team has so far this season.

This year the Gorilla thinclads possess strong depth in every event. The sprints are dominated by Ace sprinters Bob Wooten and LeeRoy Pitts while in the quarter mile it is Ross Evans. In the half-mile events are Lee Crawford and Barry Franks. The distance Ace is Allen "Corky" Eggert, school 2-mile record holder who is assisted by Jesse Pera and Vic Unruh.

These are but a few of the host of Pitt State's Cinder-men who may prove themselves as the season progresses.

Cold Weather never stops the Cindermen of KSTC. Wooton, Coates, and Crawford; they're off and through the snow they go!!!!

Adios, Amigos,  
To youens from usens at the office -  
The last deadline has been met and our goal is accomplished, we  
hope, in producing a yearbook that will serve as a pleasant  
reminder of the 56-57 school year.  
If we can look back upon the happy moments and crowd the  
unhappy ones from our mind, the memories of things that we  
have shared will bring a strong sense of satisfaction to us.  
Who knows what lies around the bend ahead? It may be that  
goal we have sought, and it may not; but whatever it is, we can  
be proud that we have chosen a worthy goal-benefit to society  
and our fellowmen.
